

PARKING REFORM NETWORK

SPONSORSHIP OPPORTUNITIES

The Parking Reform Network unites hundreds of urban planners, academics, elected officials, and community activists working to create meaningful change through parking policies and programs. **There is no better way to demonstrate your commitment to addressing real change on crises facing climate, housing, traffic, and equity than to support the Parking Reform Network.**

sponsor@parkingreform.org

OUR IMPACT

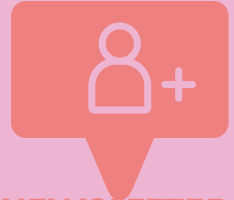

The Parking Reform Network educates the public about the impact of parking policy on climate change, equity, housing, and traffic.

ONBOARDING MEETING

All sponsors will have an initial 'meet and greet' onboarding meeting with PRN staff to discuss:

- Mission alignment and sponsorship expectations
- Identify if there are specific opportunities best suited for your organization to support
- Person of contact and other logistics

Public Partners & Allies

Non-profit, public agency, and municipality representatives only

Partnership with PRN amplifies your organization's impact by connecting you with peers tackling similar challenges and offering opportunities to showcase your successes.
